 Projected Sir: Dam's MPPA:107  
 WOW! What a female! This broody and solid made female offers great rib shape and tremendous balance. She is one of the top composite females and will definitely catch your eye when you walk out in the pens. Her \$ figures are just as stunning with off the chart \$P and top \$R and \$F.

Projected Calving Date: MPPA:100  
Projected Sir: Dam's MPPA:100

You can expect this long made female to produce some whopper weaning weights with that MK EPD. Expect her daughters to remain profit centers in your herd for years to come with her fantastic ST EPD. She gets it done on end product quality as well with her top ranked MB EPD.

## All Herd Bulls Sell on the Next Several Pages

*Put Your Program on the Map with Tried and Tested Herd Bulls from the Nucleus Herd!*

It's not every day that a breeder can walk in and have the pick of herd bulls from one of the largest Red Angus and Red Composite operation's in the world. Study these herd bulls and find the one or several that meet your operations needs and program goals. If you are looking to cooperate with us down the road please contact us to help with selecting the herd bulls that will produce the best outcomes for your operation.
