*LSF RHO Titonka Z721 is one of the best sons of Right Kind in the breed today. Titonka was selected as a feed efficiency prospect when he "crushed" his contemporary group for feed conversion. His first sire group went through our feed intake unit last year and those bulls "crushed" their contemporaries. Titonka is not just a feed efficient sire but combines calving ease, growth, maternal and carcass into a very complete package. Check out below some of the first sons that sold last year in our Herdbuilder sale.*

Herdbuilder is fast becoming one of the stars in the breed for carcass and maternal traits. In initial feed efficiency testing, it looks very promising for Herdbuilder to become one of the breed leaders for feed efficiency. Herdbuilder comes from one of the best cow families at LSF and will leave his mark on the breed!

Pursuit is a "bankable" heifer bull with his top 1% ranking for calving ease. He is a "sleep" all night calving ease bull but that is not all because he is also in the top 25% for weaning weight and the top 5% for yearling weight. One of the top \$Profit bulls to sell in our 2015 Spring Herdbuilder Bull sale. Sons will be available in our 2017 Fall Herdbuilder Bull Sale.
